Testimonies from participants of previous Alpha courses

I am a cradle Catholic. The talks helped clear a lot of my doubts. I received the gift of tongue during the weekend away. I can now understand the Word of God better and have a much deeper and closer relationship with God. I can now forgive people more easily not before. Agnes Then

I was filled with joy and love during the replacement weekend and got to know Jesus personally. I now share about Jesus with others not before. - Charles Zehnder
